## Agenda item: The Culture of Competition

Presenter: Jason Wallace

### Discussion:

Briefly discussed this year's HST (Honor Study Topic) "The Culture of Competition"

Updated the new officers of the idea the previous officer team came up with - a relay race, based on Theme 7: Math, Science, & Technology, called "Unplugged" to do various basic activities that many would depend on technology for.

In addition the day prior to the relay race we will show the movie Surrogates and have a discussion about the movie with the incorporation of Theme 7. We will try to have snacks available for the duration of the movie.
