Step 3 - Organize Yourself (cont.)

Consumer FIRST Replicating Website:

When you enroll online to become a Consumer Advocate, the company will automatically create your replicating website, and your ID# will be e-mailed to you within a matter of minutes. If you applied by mail and you provided an e-mail address, your ID# will be sent there as soon as your application is accepted.

Your replicating site will allow you to invite your friends to your own site, where they can become Customers, register their cards, or apply to become Consumer Advocates. Call your Sponsor for help in setting up the front page of your replicating website. Your Sponsor will walk you through the Back Office to familiarize you with the capabilities of your site.

The Woodis Group, "Accelerate The Dream" website, will be there to help you get started motivated, trained and supported, with the help of a team of professionals who are already successful in the areas of: Sales, Marketing, Finance, Real Estate and Insurance, and already doing \$120,000,000.00 in business.

The business and marketing experience they bring to the table, will afford you one of the best resources you can use.

Consumer First Brochures And Materials:

Your Welcome Kit from Consumer FIRST includes manuals, instructions, sample forms and sample brochures. Take a few minutes to acquaint yourself with the materials. Use them to build credibility when meeting with people in person. Additional copies of the literature are available on the Consumer FIRST website in a pdf format. Go to www.goconsumers1st.com.

3-Way Calling:

Call your local phone company and for just a few dollars a month you can order 3-way calling. The service may take a couple of days to activate.

Business Cards:

In your Welcome Kit is an order form. Use it to order some business cards directly from Consumer FIRST. Make sure that you print your replicating web address, the "Accelerate The Dream" web address, and the Consumer FIRST website on the cards. I would also, print the phone numbers of your "Master Mind Contact List".
